LICENSING & REVIEW

ATTN: DIANE WINTER

The application identified below was referred to you for review under 35 U.S.C. §181 on 10/29/01. The Patent and Trademark Office has not received a communication from you regarding secrecy of this application under §181.

Examination of this application has been completed and has been found to be in condition for allowance. Since the Patent and Trademark Office has no authority to withhold the issue of a patent absent a recommendation for a secrecy order under §181, this application is being prepared for issue as a patent.

The Access Acknowledgment mailed to you must be returned to this Office.

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the earliest claimed filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 USC 181 until not more than 6 months from the filing date or 90 days from the date of referral to the agency. This application will be cleared for publication 90 days from the above Date Referred, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.
